Subject to the clauses below, Elnur UK Ltd warrants that its products will be free from defects in seals, materials, electronic components and workmanship for the periods stated above.

1. This warranty is expressly limited to repair or replacement of any parts found to be defective under conditions of normal use and service.
2. This warranty does not extend to Elnur UK Ltd being liable for any incidental, special or consequential damages or losses whatsoever
3. This warranty does not cover any defect, damage or malfunction in the product which is due to failure to comply in respect with Elnur's installation, maintenance or operating instructions, faulty storage, handling, installation or repair, mis-use, neglect, accident, abuse or general wear and tear.
4. In respect of products where water passes through them – boilers, unvented cylinders & water heaters. This warranty does not cover any defect by failure to prevent scale or corrosion.

To ensure that your new Elnur appliances provide you with the service that we expect, it is important that they are installed in accordance with all relevant regulations and approved codes of practice.

Your new Elnur appliance warranty commences on the date of purchase and therefore, it is important to retain your purchase receipt. In instances where this is missing, warranty will commence from the date shown on the boiler serial number. Out of warranty service calls or calls where there is not a manufacturing defect will be chargeable.

In the rare event of an issue arising with your Elnur products, please contact our **Customer & Technical Services** on 01942 265048 or email us – [technical@elnur.co.uk](mailto:technical@elnur.co.uk)
